Case Law for Command Staff and Supervisors

Case Law for Command Staff is a focused analysis of the legal concepts imperative for agency leaders who are expected to accurately and effectively answer the 4th Amendment questions submitted to them by the line-level officers they supervise. There is topic overlap between Case Law for Command Staff and our Advanced Search & Seizure and Advanced Traffic Stops class. CLCS is a comprehensive, content-heavy, one-day program designed for those who oversee the operational functions of a law enforcement agency. AS&S and ATS are each one-day programs designed with the practitioner in mind, focusing on the practical application of complex search-and-seizure principles. It is recommended students attend CLCS during separate training iterations from AS&S and ATS
